

Health Canada Warns of Confusion Between Maalox Multi Action and other Maalox Products

Health Canada is informing the public about potential confusion between the product *Maalox[®] Multi Action* (which contains bismuth subsalicylate) and other *Maalox[®]* liquid products that have similar names, labels and packaging but different ingredients. Taking *Maalox[®] Multi Action* unintentionally can cause serious problems for people who have certain medical conditions or who are taking certain medications.

More information is available on the [Health Canada website](#).
